Renovations under way! **Big changes to our Fairway Drive Office**

Kerikeri Construction has temporarily moved in and is transforming our office. These wonderful extensions will accommodate our current staff and provide for future growth. A big thanks to our staff for their patience and we look forward to completion in the next few weeks.

New office on Access Road **Location: 38 Access Road, Phone: 407 6946**

We have recently acquired the business of *Accounts Receivable* which was headed by Chartered Accountant Ross Christensen. Annika Dickey will be working at this location as well as our Fairway Drive location. This has been a very positive move and we look forward to building strong relationships with the new clients coming on board as well as continuing our excellent service with our current clients. The office at Access Road will be kept until alterations at Fairway Drive are completed. We welcome any feedback or concerns you may have.

We are proud to **welcome to our team Barbara Roberts & Donna Crawshaw**. Barbara is back with our Kerikeri team after having worked two years for Ross Christensen. She has lived in Northland for 38 years and enjoys family activities in her spare time. Donna worked for BDO Accountants for about 13 years before working for Ross Christensen, after an 18 month break, in April 2009. She was born in Kerikeri & has two children Nicole 12yrs and Dylan 9 yrs. Donna enjoys spending time with friends and family.
